“Conversations with a Changing Landscape” is an upcoming photography exhibit hosted by Warwick Public Library that features the work of Shane Gutierrez and three students of his Advanced Landscape Photography class. The artists’ work will be on display between November 5 and November 30. Featured artists include: Deborah Green, Shane Gutierrez, Elizabeth O’Connor, and Kristen Packard.

This exhibit highlights each photographer’s unique perspective, style, and vision, as Gutierrez’s students work on improving their photographic technique and the expression of their vision.

Join the photographers as they host the exhibit’s opening reception on Sunday, November 12, from 2-4:00 P.M. Light snacks and beverages will be served, and all photographs will be available for purchase.
